After the war Mr. Sayles was commonly alled and known as "General" Sayles. called and known as "General" Sayles. This title he received from his rank as Brigatier General in the State Militia, and as adjutant general upon General Magrader's stail. He was a man with a high sense of honor and great moral excellence. No had habits marred his evenly developed character of moral integrity and mental superiority. I do not remember that he ever allied himself with any church organization, but he became identified with the Presbyterian church in Brenham as a member of its congregation and was a teacher of class in its Sunday school. Since his death the manuscript of a "Life of Christ" then prepared has been found among his papers. The man was a column of polished Pentelic marble and his character a monument more lasting than brass. The column has fallen, but the monument will stand. C. C. GARRETT.

Deafness is more prevalent in cold than in warm countries, the ears being sensitive to changes of temperature.
